OUR SISTER CONCERNS

- ▶ **M/s SRI AATHITHYA BLUE METALS –** We are the pioneers in this segments in our district having 350TPH crusher plant and 300 TPH exclusive Sand wash plant
- ▶ **M/s KANNAN CONTRACTOR -** We have initiated our construction business in the year 2018, and with least manpower we generated a huge opportunity in Construction industries
- ▶ **M/s AATHITHYA BLUE METALS -** We are the leading suppliers of all kinds of Crushed Aggregates for all industries i. e. Building construction / NHAI / MORTH /SH/ DRDA & Rural Roads and for all local suppliers.
- ▶ **M/s SRI AATHITHYA SANDS -** We are the District leaders for Manufacturing and Supplier of M-Sand & P-Sand for all works

OUR COMPANY

Sri Aathithya Infra Project Private Limited is a dynamic and professionally managed infrastructure company delivering high-quality **Design Engineering, Construction, and Contracting solutions** across Tamil Nadu.

With a strong presence in the southern region, the company has successfully executed a wide range of projects including **mass earthworks, road construction, building design & execution, site development, transportation works, road furniture installation, and rock cutting & filling operations.**

Driven by a commitment to **quality, timely delivery, and cost efficiency**, Sri Aathithya Infra has earned a reputation for reliability and technical excellence. The company leverages modern construction practices, experienced manpower, and robust project management systems to deliver value-driven infrastructure solutions.

Our focus is on building long-term relationships with clients by consistently exceeding expectations and contributing to the development of sustainable infrastructure.

ABOUT US

Sri Aathithya Infra Project Private Limited strives to be a part of nation-building by executing infrastructure projects with the highest standards of **quality, value, and integrity**. The company is committed to utilizing **world-class equipment** that ensures **optimum fuel efficiency, enhanced productivity, and environmental sustainability**.

With a wide range of experience in infrastructure engineering, the company provides **professional and reliable services** to its clients. Over the years, several prestigious projects awarded to Sri Aathithya Infra Private Limited have been successfully executed to the **utmost satisfaction of clients**, reflecting the company's dedication to excellence.

The organization follows **industry-leading management practices**, ensuring efficiency at every stage of project execution. From selecting the most suitable construction methodologies to deploying skilled manpower, meticulous planning, and effective resource management, the company ensures **timely and successful completion of projects**.

VISION & MISSION

Sri Aathithya Infra Project Private Limited aims to contribute to **nation-building** by executing infrastructure projects with the highest standards of **quality, value, and integrity**. The company is committed to deploying **world-class equipment** that ensures optimum **fuel efficiency, enhanced productivity, and environmental sustainability**.

We adopt **global best practices** in project execution, with a strong focus on **commitment, safety, and quality**. By fostering a positive and performance-driven work environment, we empower our employees to enhance their productivity and deliver excellence. Our operations are supported by a **modern fleet of state-of-the-art equipment**, enabling efficient and high-quality project delivery.

At Sri Aathithya Infra Private Limited, we uphold strong core values, including:

Safety in all operations

Transparency in business practices

Reliability in execution

Mutual Respect in relationships

Strict adherence to laws and regulations

OUR ON-GOING PROJECTS

1. Utility shifting works EHT [Electrical Heavy Tower] line at various location in NH83 along the ROW (from NHAI - PIU Dindigul) cost worth of Rs. 2587 Lakhs
2. School Building from SIDS (School Infrastructure Development Scheme) DRDA worth of Rs. 66 Lakhs
3. Utility shifting works EHT and HT/ LT [Electrical Heavy Tower) Package - I Project cost worth of Rs.571 Lakhs.
4. Utility shifting works EHT and HT/ LT NH - 45C NHDP Phase-IV on Hybrid Annuity Mode Project cost worth of Rs. 150 Lakhs.
5. Construction of embankment bed [Earth works] of NH-716B- IV Project cost worth of Rs.1983 Lakhs..
6. Hotspots / Accident Spots Work in various locations in NH-44,NH-209(New No.83) and NH-38 (Old NH No.45B) Project cost worth of Rs.295 Lakhs.
7. Annual Maintenance including Incident Management of Two lane NH - 36 from Thanjavur to Pudukkottai Section from Km.174+000 to Km.229+228, project cost is Rs. 290 Lakhs.

OUR ON-GOING PROJECTS

8. Short-term Rectification Measures by providing and fixing of Metal Beam Crash Barrier, Solar Blinker, Traffic Impact Attenuators, Road Signs, Thermoplastic Road Marking, Road Studs, Construction of Speed Table, etc. Basis, Project Cost is Rs.412 Lakhs.

9. Strengthening of the road MRL-02 M.Edayapatti To Thethur Road Km 0/0-5/380,,Tiruchirappalli Dt.under PMGSY Batch-I-2024-25 including maintenance of 5-year pkg no.TN22-219, Project Cost is Rs.364 Lakhs

10. Re-establishment of Sevugampatti Toll Plaza at Km 27+900 with installation of ETC equipment and the maintenance of existing ETC Equipment along with the engagement of System Integrator in Dindigul to Theni section of NH- 183 in the State of Tamil Nadu Project, Project cost is Rs.79 Lakhs.

11. Short-term Rectification Measures by providing and fixing of Metal Beam Crash Barrier, Solar Blinker, Traffic Impact Attenuators, Road Signs, Thermoplastic Road Marking, Road Studs, Construction of Speed Table, etc. Rate Basis, Project Cost is Rs.412 Lakhs

COMPLETED PROJECTS

1. We have completed and supplied 15 Lakhs cubic meter of Crushed aggregates within 16- month duration. Supplied at Rs. 447 Lakhs
2. We executed earthwork of 3 lakhs cubic meter (BC/Wet Slurry soil removal) for site and disposed to 3 km lead from embankment bed, in M/s DRN infra projects worth Rs. 39 Lakhs
3. Completed School building of Dist. Rural Development Agency [DRDA] Worth of Rs. 130 Lakhs.
4. Rural road works in Namakku Namme Thittam [NNT] mode, worth of Rs. 163 Lakhs completed before timeline.
5. Annual Maintenance of NH - 45B from Dindigul - Theni - Kumuli, project cost is Rs. 640 Lakhs.
6. Accident Spots Work in various locations in NH-44,NH-209(New No.83) Project cost worth of Rs.215 Lakhs

LIST OF MACHINERIES & EQUIPMENTS

1	2025 - 2026	41, 29,00,000.00 ON GOING

NHAI & MORTH ROAD MAINTENANCE WORKS

- RECORDING LEVEL WITH CLIENT
- EARTH WORKS
- SOIL / EARTH SUPPLY TRANSPORTATION GRADING CURING & COMPACTIONS
- GSB / WMM/ DBM & BC WITH PAWER MACHINE
- LANE MARKING
- FIXING ROAD FURNITURES
- FIXING OF SIGN BOARDS
- FIXING OF CANOPY SIGN BOARDS
- FIXING OF INFROMATION BOARDS
- CONSTRUCTION OF SMALL BOX CULVERTS
- MAINTENANCE OF ROAD ASSESTS
- CLEANING OF MCB & ROW

QUARRY OPERATIONS & CRUSHER PLANTS

- OVERBURDON REMOVAL
- WASTE ROCK REMOVAL
- QUARRY STONE / BOULDER EXTRATION
- FIXING DRILLING & PLANNAING
- BLASTING WITH ATMOST SAFETY
- TRANSPORTATION OF BOULDER / STONE
- OVER SIZE RE-SIZING OF BOULDER AS PER FEEDER
- TRASTPOARTION OF AGREEGATES M SAND & P SAND

DRDA & RURAL ROAD WORKS

- EARTH WORKS
- SOIL / EARTH SUPPLY TRANSPORTATION GRADING CURING & COMPACTIONS
- GSB / WMM/ DBM & BC WITH PAWER MACHINE
- LANE MARKING
- FIXING ROAD FURNITURES
- FIXING OF SIGN BOARDS
- FIXING OF INFROMATION BOARDS
- MAINTENANCE OF ROAD ASSESTS
- CLEANING OF MCB & ROW

EXTRA / HEAVY TENSION LINE SHIFTING

- LAND ACQUISITION FOR EHT LOCATION
- CO-ORDINATION LIAISON WITH POWER GRID / ELECTRICITY GENERATION COMPANYS
- EARTH WORKS / ROCK BLASTING
- STUD FIXING / FOUNDATION WORKS
- CONCRETING / TOWER ERECTION
- CONDUCTOR STINGING / OTHER WORKS
- INSPECTION WITH SAFETY INSPECTOR AND APPROVAL
- OBTAINING LINE CLEARANCE [LC] / LOAD TRANSFER
- HANDING OVER CLEANING OF MCB & ROW

INTERNATIONAL MINING PROPOSAL

Mining Division – International Expansion (Zambia Project)

Our Mining Department has proposed the establishment of *Sri Aathithya Blue Metals* as part of a new international venture, in collaboration with local mining partners in Zambia, with operations centered in Lusaka, the capital city.

The project involves the development of a large-scale gold mining operation across an area of approximately **800 acres** under a mining lease.

We are pleased to report the following progress:

Stage I Clearance has been successfully obtained from the Government of Zambia. The **prospecting mining lease** has been completed.

We are currently awaiting **Stage II clearance**, which will enable us to commence full-scale mining operations.

The **final lease sanction** is under process with the concerned Zambian ministerial authorities.

Project Timeline: Subject to receipt of final approvals, the gold mining operations are expected to commence by the **end of 2026**
